Alma Mater

*Dear A. and T., dear A. and T., a monument indeed,
Around thy base with grateful hearts behold thy students kneel,
We bless the power that gave thee birth to help us in our need,
We'll ever strive while here on earth all loyalty to yield.*

Refrain

*With joy, with joy, dear A. and T., thy students turn from thee
To spread thy trophies year by year from Dare to Cherokee.*

II

*Dear A. and T., dear A. and T., the signet thou shalt be
Set by our great old commonwealth, proud boaster of the free;
She'd have the record of her worth on granite not inscribed-
Nay, let the children of her birth proclaim it by their lives.*

III

*Dear A. and T., dear A. and T., henceforth our aim shall be,
By precepts wise and deeds more sure to bless the State through thee;
The arts of industry to wield against an idle foe.
A harvest rich from ripened fields of what they students sow.*

“Changing of the Guard”

A New Point of View... for the 21st Century

On Thursday, July 15, Dr. James C. Renick began his first day on the job as the new chancellor of North Carolina A&T State University. Community members, A&T students, faculty, staff, alumni and friends came to see this historic occasion take place as Chancellor Emeritus Edward B. Fort passed on the torch to the new Chancellor James C. Renick.

CHANCELLOR JAMES C. RENICK

LEADING NORTH CAROLINA A&T INTO THE 21ST CENTURY

Chancellor Renick majored in social science at Central State University in Ohio and graduated in 1970. He went on to obtain his master's degree in social work from Kansas University in 1972 and was awarded his doctorate in government and public administration from Florida State University in 1980. Before being elected as the chancellor of NC A&T Renick was a chancellor and professor of public administration and education at the University of Michigan-Dearborn since 1993. Renick and his wife, Peggy, have one daughter, Karinda.

Chancellor Renick gives remarks at Miss A&T's Coronation.

Chancellor Renick listens as students voice their concerns about the university.

Chancellor Renick speaks on his plans for NC A&T during the Changing of the Guard Ceremony.

"Chats with the Chancellor" a monthly program established so that he can stay in touch with student's needs and issues.

Dear Aggies,

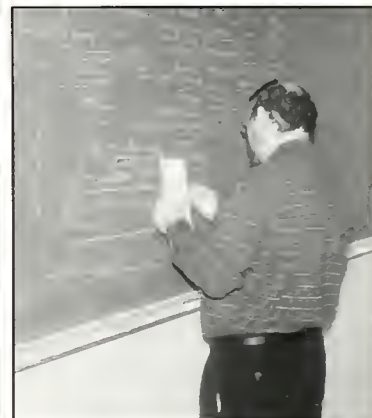

When the yearbook staff began production of the 2000 Ayantee, we thought long and hard about a theme that would best describe our university as we entered into the 21st century. With A&T undergoing tremendous change in technology and leadership, the staff felt that the theme "A New Point of View" would represent our university well. With much hard work and dedication from yearbook staff members as well as Ms. Rosalyn Parker, Mrs. Marva Watlington, and Ms. Lee Whitener, the Ayantee Yearbook Staff has produced another book of great caliber. I hope that the students of this fine institution of higher learning can look back at this book and see the richness of their collegiate experience from many points of views.

Yours in Aggie Pride,

Corey J. Savage

Dr. Gilbert Casterlow (Math Professor and 6th Degree Black Belt Karate Instructor) explains as Debora Graham (University Housing) demonstrates an elbow strike to counter a head lock.

Senior Chris Goins tries to attack the Sensei with a knife. Unfortunately, his speed does not match with Dr. Casterlow's. Does Chris know what he is getting into?

Some of A&T's junior Karateks show off their new promotion belts and certificates at the spring Karate Banquet. Their karate experiences were sponsored by the A&T Karate Team and Delta Sigma Theta Sorority, Inc.

Laveda Casterlow uses the Impax Technology to measure the force of her kick as Louis Tyson and Raymond assist.

Who said women aren't be tough? It is the wrong night to mess with this lady!

Current Events

Hurricane Floyd

Hurricane Floyd charged up the East Coast with fearsome winds and drenching rain. More than 8,000 members of the National Guard in Florida, Georgia, South Carolina, North Carolina and Virginia were mobilized to help communities recover from the destruction that cost an estimated \$1.3 billion. With winds hitting 155 mph, Floyd closed schools and airports.

Hurricane Floyd

Hillary Clinton

Hilary Rodham Clinton earned praise for standing by her husband during President Clinton's impeachment trial toward the end of his second term. She proved to be an ambitious and political savvy First Lady, which fueled speculation that she would run for the Senate, representing New York, in the 2000 elections. She had the credentials, including a degree from Yale Law School.

Boris Yeltsin

Russian President Boris Yeltsin was not a healthy man. The 68-year-old president had been hospitalized for an ulcer, pneumonia, bronchitis, and heart trouble during his second term. He also had a quintuple bypass operation in 1996. And as the year came to a close, he was hospitalized again with high fever and the flu. Though critics say Yeltsin should step down because of his health, the president insisted that he was in good shape and would stay in office until his term ends in the summer of 2000.

Current Events

Serena Williams

Serena Williams stormed into the tennis world and in her second year as a pro won her first Grand Slam in 1999, beating Martina Hingis to capture the U.S. Open. She became the first black woman to win a Grand Slam since Althea Gibson in 1958. She also won double titles with her older sister, Venus.

President Clinton

President William Jefferson Clinton will be the last president of the twentieth century. He was first elected in 1992 when a sluggish economy took its toll on the relatively popular George Bush. Going into the 1996 election, Clinton's approval ratings soared and never faltered through Election Day. And toward the end of his second term, he survived an impeachment trial.

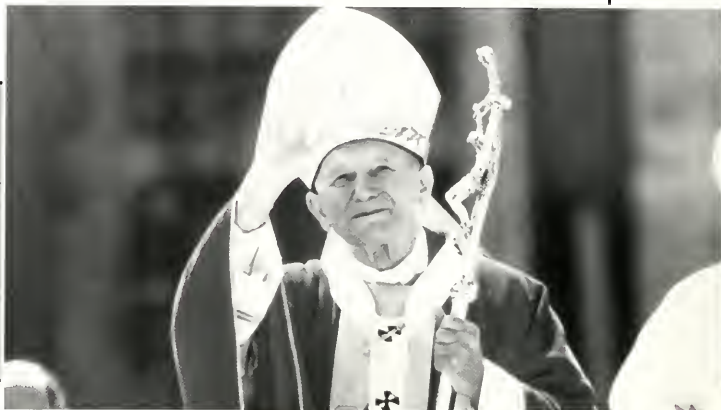

Wilt Chamberlain

Wilt Chamberlain was considered by many to be the greatest basketball player ever. He died in 1999 at the age of 63 of an apparent heart attack. Chamberlain took a marvelous athletic ability and a tremendous size (7-foot-1 and 290 pounds) and made the most of it. His NBA accomplishments are remarkable. He was the only player in the history of the game to score 100 points in a game, and he also had the three highest scoring games in NBA history.

Current Events

Pope John Paul, II

In October, 1999, Pope John Paul, II began his 22nd year as pope, the longest papal service of this century. The 79-year old pope's untiring dedication made him the most-traveled of any pope--88 pastoral voyages outside the Vatican. He also created 157 cardinals, wrote 13 encyclicals, convened 14 synods and greeted an estimated 14 million faithful in his general audiences.

Jay-Z

With the help of his gold-certified 1996 single - a duet with Foxy Brown - Brooklyn born Jay-Z signed a record contract that same year and released his debut album, "Reasonable Doubt." The single "Can't Knock the Hustle" hit the R&B Top 40, pushing the album into gold territory. His latest album, "Hard Knock Life," has been on the charts for more than a year.

Ricky Martin

Ricky Martin was one of the biggest teen idols in the 1990s. He was blessed with good looks and a great voice, which helped him become a huge Latin music star. In 1994, when he was 12 years old, he became a member of the group Menudo. For the next five years he was the lead singer of the group, helping them become an international sensation. Once he outgrew Menudo in 1999, he went home to Puerto Rico, where he completed high school. After graduation, he moved to New York and the rest, as they say, is history.

Current Events

Times Square, 2000

Confetti flooded New York's Times Square at the start of the new millennium as the clock struck midnight, Saturday, Jan. 1, 2000. The crowd, estimated at more than a million, stretched nearly 20 blocks from the dropping ball.

Eminem

A protégé of Dr. Dre, rapper Eminem began performing at the age of 14, later earning notoriety as a member of the Motor City duo soul intent. He made his solo debut in 1996 with the independent release "Infinite," soon followed by "Slim Shady," which scored a hit with the single and video "My Name Is."

1999 World Series

The New York Yankees celebrate after winning the World Series in New York, Wed., Oct. 27, 1999. The Yankees defeated the Atlanta Braves 4-1 to sweep the series. Mariano Rivera was named the Most Valuable Player of the series.

Current Events

John F. Kennedy Jr. and Carolyn Bessette Kennedy

On July 19, 1999, John F. Kennedy, Jr., his wife, Carolyn Bessette Kennedy, and her sister, were killed when the small plane that he was piloting crashed into the waters off the coast of Hyannisport, MA. JFK, Jr. was a cofounder of *George Magazine* and many felt that he would follow his father's footsteps into the political arena.

Super Bowl XXXIV

On Jan. 30, 2000, the Saint Louis Rams defeated the Tennessee Titans 23-16 in what was arguably the most exciting finish ever in the Super Bowl. After the Rams took the lead on Kurt Warner's 73-yard TD pass to Isaac Bruce with 1 minute 54 seconds left in regulation, Tennessee drove the field, with Steve McNair's pass to Kevin Dyson coming up just a yard short of tying the game as time expired. Kurt Warner, the Rams' quarterback, was named the game's Most Valuable Player.

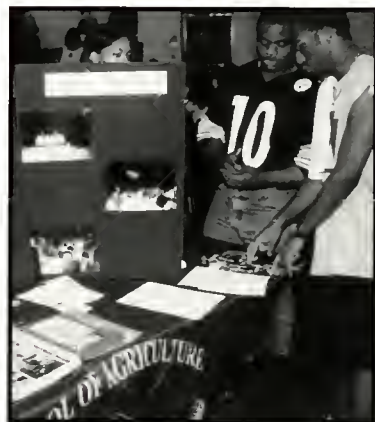

Vice President Al Gore

Vice President Al Gore, with President Clinton's open support, started the race for the White House in 1999 as the clear early front runner for the Democratic nomination. History favored Gore since the incumbent vice president who's sought the Presidential nomination was almost always successful. However, Democratic rival Bill Bradley had proven to be a much stronger opponent than Gore had anticipated.

The Ladies of Alpha Phi

Alpha Kappa Alpha is the oldest Greek letter organization established in America by Black college women. The record of its origin, growth and development, activities, evolving goals, and accomplishments is more than an interesting chronicle of a colorful bit of college-based Americana. It is, rather, a significant and inspiring reflection of the emergence of a dynamic group in a changing culture. The efforts of Alpha Kappa Alpha women in the promotion of high scholarship, vocational and career guidance, health services, the advancement of human and civil rights, and in so many other areas constitute a priceless part of the American experience in the twentieth century.

A WRITER'S VIEW

A Calm Is Rising

By Scott R. Moore

My fall has come
And rested wholly upon my heart.
Like so, the rising calm shall do.
Much like the peace of many a day before,
Resting arms and dying rage take place,
Of the years unto which I never lived,
Yet still died.
By destiny is fate extinct.
Come what may with the foulest thought,
But hold on to what is true.
The beauty's life of her soul,
the gentle breath of winter's sky,
Found inside a whisper's poem.
In love and in light, forever I will stay.
My heart is slowing...
With the calm still rising...
Yet I still Live with every breath.
In my words the calm will stay,
As it will with the deepest soul of many men.
My eyes shall see,
In beauty's grace,
My destiny.

A WRITER'S VIEW

Black Woman

By Herman Bright

More beautiful than the ocean that meets the sky,
More beautiful than the stars that shine up high.
Nice round hips and nice thick thighs,
Smooth silky skin and deep brown eyes.
The mother of life, a vision of beauty and much more,
Without the black woman what would I live for.
More precious than life itself and U know that's true,
Without the black woman there would be no more me or you.
The mother of creation and the goddess of beauty,
A strong attractive lady full of grace and dignity.
When U look in her eyes, diamonds fade away,
and beauty of her smile makes ivory a pale shade of gray.
Smart intelligent and full of knowledge and women's intuition,
In my eyes, you're all queens of knowledge and women in high positions.
I believe your pretty hands should have never do anchor,
Like I said, without the black woman what would I live for.

Alma Mater

*Dear A. and T., dear A. and T., a monument indeed,
Around thy base with grateful hearts behold thy students kneel,
We bless the power that gave thee birth to help us in our need,
We'll ever strive while here on earth all loyalty to yield.*

Refrain

*With joy, with joy, dear A. and T., thy students turn from thee
To spread thy trophies year by year from Dare to Cherokee.*

II

*Dear A. and T., dear A. and T., the signet thou shalt be
Set by our great old commonwealth, proud boaster of the free;
She'd have the record of her worth on granite not inscribed-
Nay, let the children of her birth proclaim it by their lives.*

III

*Dear A. and T., dear A. and T., henceforth our aim shall be,
By precepts wise and deeds more sure to bless the State through thee;
The arts of industry to wield against an idle foe.
A harvest rich from ripened fields of what thy students sow.*
